

## 1 PART 7 - CHILD PROTECTION STATEMENT

### ***Philosophy***

In line with the ethos of our school our aim is to provide a safe environment for teaching and learning.

### ***Educational Provision***

Education for children will be provided through the SPHE curriculum under the strand unit Safety and Protection using Stay Safe as the resource

### ***Management of Issues***

We as a school community are aware of the "Children First" National Guidelines for the Protection and Welfare of Children published by the Department of Health and Children and of the "Child Protection" Guidelines and Procedures published by the Department of Education and Science.

It is the policy of St Brendan's Primary School to follow these guidelines.

The Board of Management has appointed the Principal as the designated liaison person and the Deputy Principal as the deputy liaison person.

Should the DLP need to consult with a parent in line with procedures as laid down in the guidelines we recommend that another member of staff be also present.

Examples of issues to be considered

- Toileting children - children with special needs, young children who may have "toilet accidents". If a parent is not contactable or available, or if the child is not capable of changing himself, two adults must be present to carry out procedure.
- One to one teaching - open access to facility by any member of staff while one to one teaching is taking place.
- Swimming - Due discretion is given to the sensitivities of children in a dressing room situation while maintaining adequate supervision. Individual dressing room supervision is avoided.
- Ferrying children - Ferrying children in a one to one situation is avoided at all times.
- Internet access - Refer to internet policy

Ongoing training and staff development

- Staff needs will be assessed and the facilities of the local education centre will be used. The Stay Safe Office will also be contacted and we will avail of support provided for staff, parents and B.O.M.
- Parents Association will be encouraged to support the process by providing ongoing information to members and providing facilities to discuss child protection issues.

Review and Evaluation

- Policy will be reviewed in line with other SPHE policies.
- Should the school need to use reporting procedures there will be an evaluation of the process to assess its effectiveness and to inform further use of the process.

## 1.1 CHILD PROTECTION POLICY

### Introductory Statement

The Board of Management, staff, and representatives of parents of the school drafted the following policy.

### Rationale

The BOM of St. Brendan's P.S. has adopted the Department of Education and Science Guidelines and Procedures for schools in relation to Child Protection and Welfare. This policy is an outline of how St. Brendan's P.S. proposes to implement these guidelines in order to ensure the protection and welfare of all children attending our school.

### Relationship to Characteristic Spirit of the School

St. Brendan's N.S. seeks to help the children to grow and develop into healthy, confident, mature adults, capable of realising their full potential as human beings. We strive to create a happy, safe environment for the children where they feel secure, knowing that if they have concerns, they will be listened to with understanding and respect and they will be acted on.

### Aims

1. To raise awareness of child abuse among all school staff (including Teachers, SNA's, Caretaker etc.), namely, emotional, physical, sexual and neglect, among all the education partners in our school.
2. To put in place clear procedures for all school personnel dealing with suspicions and allegations of child abuse.
3. To identify other policy areas which need to be amended in light of the 'Child Protection Guidelines'.
4. To identify curricular content and resources that contributes to the prevention of child abuse and to enable children to properly deal with abuse if it occurs.

  - Reporting Procedures
  - Appendix 1 Signs and Symptoms Of Child Abuse
- b) Guidelines for teachers and staff members in handling...
  1. Disclosures from children.
    - a) Where a child discloses alleged abuse to a staff member, the person receiving that information should listen carefully and supportively. Great care must be taken not to abuse the child's trust. This should not be a formal interview. The following advice is offered:
      - Listen to the child.
      - Do not ask leading questions or make suggestions to the child.
      - Offer reassurance but do not make promises.
      - Do not stop a child recalling significant events.
      - Do not over-react.
      - Confidentiality should not be assured - explain that further help may have to be sought.

### **Guidelines for the DLP in handling reported concerns and disclosures**

- a) Where the DLP/Deputy DLP have concerns about a child, but are not sure whether to report the matter to the Health Board, they should seek appropriate advice. To do this the DLP/Deputy should make informal contact with the assigned (on duty) Social Worker. The DLP/Deputy in this case, should be explicit that s/he is requesting advice and not making a report. If advised to report the matter, the DLP will act on that advice.
- b) A report will then be made to the Health Board by the DLP/Deputy in person, by telephone or in writing. In the event of an emergency or non-availability of Health Board staff, the report should be made to the Gardai. The DLP should also report the matter to the Chairperson of the BOM, who should then follow the procedures as outlined in Chapter 4 (Section 4.3) of Children First National Guidelines for the Protection and Welfare of Children (1999).
- c) A standard reporting form is completed by the DLP/Deputy as comprehensively as possible (See Appendix 1).
- d) Parents/guardians will normally be informed that a report is being made. It may be decided that informing the parent/carer is likely to endanger the child or place the child at further risk. The decision not to inform the parent/carer should be briefly recorded together with the reasons for not doing so.
- e) When the allegation is against the DLP, the chairperson then assumes responsibility for reporting the matter to the Health Board and filling in the standard reporting form.

## ***5.0 Curriculum Implications***

### **Introduction**

In St. Brendan's P.S. all children will be cherished and in fulfilling the general aims of the Revised Primary Curriculum we will :

- Enable the child to live a full life as a child and to realise his or her potential
- Enable the child to develop as a social being through living and co-operating with others and so contribute to the good of society
- Prepare the child for further education and lifelong learning

In endeavouring to realise these aims we will create a positive school climate which is open, inclusive, respectful, fair, democratic and tolerant and which seeks to support the holistic development of all children and all adults working with our children. The strategies we will use to create this environment are detailed in our **SPHE Plan** and will involve:

- Creating a health-promoting physical environment
- Enhancing self-esteem

- Fostering respect for diversity
- Building effective communication within the school
- Developing appropriate home-school communication
- Catering for individual needs
- Developing democratic process
- Fostering inclusive and respectful language

We strive to ensure that our school will be physically and emotionally safe and we will deliver the curricular content of our SPHE programme with a view to giving our children the protective skills of self-esteem and assertiveness. The circle time methodology will be used on a whole school basis and bubble time also. The No-Blame approach will be adopted in our Anti-Bullying policy. Co-operative interpersonal skills will be developed through working in pairs and working in groups. Older children will be encouraged to work positively with conflict and negotiation and consensus building skills developed.

### **Junior and Senior Infants**

Infant teachers will teach content objectives as laid out under the 10 strand units in our SPHE programme. They are

- Self Identity
- Taking care of my body
- Growing and changing
- Safety and protection
- Making decisions
- Myself and my family
- My friends and other people
- Relating to others
- Developing citizenship

After discussion teachers felt that these strand units would enable children to develop assertiveness, body integrity, skills relating to selfcare, respect for others, identification of feelings and skills necessary to recognise and tell of abuse.

The SPHE programme would be supported, using the Walk Tall resources, our Alive-O programme and Stay Safe resources.

### **1<sup>st</sup> and 2<sup>nd</sup> classes**

Again teachers agreed that implementing our SPHE programme as laid out under the 10 strand units named above would enable the children to develop skills, knowledge and attitudes pertaining to self-esteem, esteem for others and the environment and skills pertaining to self-care and disclosure. Healthy eating, positive attitudes to drug use and antibullying awareness will be introduced.

The SPHE programme will be supported by using the Walk Tall resources, our Alive-O programme, North Western Health Board materials and Stay Safe programme.

### **3<sup>rd</sup> and 4<sup>th</sup> classes**

Our SPHE programme will again be implemented according to the 10 strand units. Knowledge, skills and attitudes developed in previous classes will be built on. Children will

be enabled to develop intrapersonal skills and inter-personal skills. As children mature they will be challenged to develop their decision-making skills. They will be encouraged to develop self-protection skills pertaining to smoking and alcohol. Peer pressure and the influence of the media will also be examined. The development of self-esteem, esteem for others, assertiveness, awareness of feelings, and skills around self-protection and disclosure will underpin our teaching.

Our SPHE programme will be supported by the use of Walk Tall resources, Prim-Ed anti-bullying materials, RSE materials and Stay Safe programme.

### **5<sup>th</sup> and 6<sup>th</sup> classes**

Our SPHE programme will be implemented according to the curricular objectives as laid out under the 10 strands in the SPHE Revised Primary Curriculum. Skills, knowledge and attitudes developed in earlier classes will be enhanced. Children will continue to develop selfawareness and positive attitudes to themselves, others, their environment and wider world in which they live. Self protection and respect for others will be fostered, decision-making skills developed, peer influence and media bias examined. Knowledge of drugs and positive attitudes to drug use will be further developed. Children will be enabled to develop good group-building skills, anti-bullying awareness and conflict resolution skills. Self-protection will be emphasised and protection of younger, less able people. Positive attitudes to sexuality will be developed and respect for self and others fostered (see RSE policy).

The SPHE programme will be supported by the use of the Walk Tall materials, RSE resources, Stay Safe resources and North-Western Health board resources.

### **Success Criteria**

We will evaluate the success of this policy using the following criteria:

- Delivery and participation by all staff in training
- Delivery of the SPHE curriculum
- Resources to support the delivery of SPHE
- Delivery and participation by children in the Stay Safe Programme
- Assessment of these procedures by participants following a child protection case
- Feedback from all staff

### **Timeframe for Implementation**

These procedures will be implemented following ratification by the BOM.

### **Timeframe for Review**

At the first staff meeting of every year the DLP will remind all teachers of the guidelines and copies of Chapter 3 & 4 & Appendix 1 of The Children First Guidelines will be given to those who require them. A review will be conducted based on the criteria above, following any and all incidents when the guidelines are used.#

### **Responsibility for Review**

- DLP
- Principal

- All Staff

### **Ratification and Communication**

This policy was ratified on 30.05.2006

Parents were notified of its existence and were invited to look and comment on the policy, which was available in the Principals office.
