### Match Report - Staff v 6th class soccer

The school staff soccer team had a great win today over 6th class boys in a hard fought match up on the top field this afternoon- 6th class went into the match as favourites with many staff picking up "injuries "in the past week - indeed they took the lead with a glorious strike into the top corner by Ryan Legace! - 2-1: Halftime

Second half was finely balanced with the boys having some half chances and the staff team getting the equaliser - Then Mr Kennedy produced the moment of magic to score a goal from near halfway! Staff leading 3-2.

The boys huffed and puffed but just couldn't score past the determined (and brave!) Mr Carroll between the sticks - Great team work from the staff team with Ms Makim getting a yellow card also! Final whistle blew - Staff win!

Thanks to all who supported and special thanks to Paul Gleeson (Birr town coach) for doing a great job as referee Thanks to all

the staff ( and guest players ) who make the effort this year to play 6th ( and supervise the supporters ) and provide the boys with yet another lovely happy memory of their final year in Primary school -

The theme of the mass was "Happiness" and it was lovely to be able to gather as a school community together outside in the cool shade of the trees and celebrate the happiness that the boys bring to our lives.
