

12370c RSE Policy Parental involvement note for file

This letter is record of parent – teacher communication over the delivery of the RSE programme at our school.

As parent / Guardian I have been informed that the school fully implements the RSE strands of the SPHE programme including sensitive aspects of the programme at enrolment.

Date : _____

As parent / Guardian I have been informed in advance of lessons on the sensitive areas of the RSE programme, with an email relevant to what will be taught at their child's class level, (school letter see appendix 2 in Policy)

▪

The letter is issued in advance, giving parents an opportunity to meet with relevant class teachers if they so wish, to discuss or clarify what is covered and to prepare their children, it also gives parents an opportunity to become involved, to inform themselves of the programme content and to prepare children for the information they will acquire around the sensitive areas and discuss areas covered in RSE/SPHE

As parent / Guardian I availed of the opportunity to view the curriculum and have spoken to the class teacher. The school acknowledges that parents have the primary responsibility for educating their children about growing and changing as per policy.
